Mr. Sydney P. Noe,
The American Numismatic Society,
New York City.

Dear Mr. Noe:

Replying to your inquiry of June 19th. I have taken up with the factory the matter of making your boxes, and have been advised that at the present time it will be impossible for them to take on any additional work of this nature. These boxes are largely hand table work, and the labor item in them is thus considerable.

I have, however, filed these boxes and hope that at some future time we may be able to handle some of them for you. In that case I will be very glad to take up the matter further with you.

Thanking you for this opportunity, and trusting that in the future we may have the pleasure of serving you, we are,

Very truly yours,
